

PINE TREE COUNCIL 2016 NATIONAL YOUTH LEADERSHIP TRAINING

NYLT 2016 will be held at Camp Bomazeen in Belgrade, ME from June 19th to June 24th.

The course starts at 12:00 Noon on Sunday June 19th and wraps up with a closing ceremony that begins around 5:30pm on Friday June 24.

The National Youth Leadership Training (NYLT) course is a weeklong experience conducted by the Pine Tree Council to give youth leaders a meaningful experience in BSA programs that will enhance their knowledge and create a deeper understanding of their roles and responsibilities as leaders. It is very important that you realize this is a week of leader training, it is not like summer camp and there will be very little spare time.

Course Objectives:

- Teach participants the concepts of what a leader must BE, what he must KNOW, and what he must DO.
- Teach leadership elements to participants with a clear focus on the HOW TO.
- Guide the participants through the 4 stages of team development, Forming/Storming/Norming/Performing
- Provide participants with a clear understanding of team and personal development and how those elements relate to being a leader
- Create an environment of Scouting fellowship and fun guided by the Ideals of BSA
- Experience Scouting at its finest.

During the week youth participants will be put together in teams; living, camping, and cooking as part of an NYLT Unit. A great staff has been assembled which includes adults and youth, but the program is ran by the youth staff.

At NYLT each participant is treated as a respected colleague. The staff goes the extra mile to make each participant feel welcome and comfortable. We have high standards of behavior for both staff and participants.

Below is a list of equipment you'll need during the course,
